

TA/2022/852 - ORCHARD HOUSE, 115 MAIN STREET, ST BEES

Further information on external location of twin wall flue system, as requested in email from Cathy Henderson on 7th September 2022, to support above stated application for listed building consent.

Approximate twin wall flue position externally.

Approximate twin wall flue position externally from back view – **please note**, due to limitations in computer package to draw on flue position, the twin wall flue position will actually be parallel to the external rendered wall (actual will be 7cm-10cm distance from external rendered wall to twin wall flue, as outlined in application for listed building consent).
