

Declaration by Graeme Gilpin of 71 Arlecdon Road, Arlecdon, Frizington, Cumbria.

**Reference: WR Richardson Ltd, Winder Brow Farm, Frizington.
Use of land for builders yard, crushing area and construction contractors storage building**

I, Graeme Gilpin have been an employee at WR Richardson Ltd. For the last 32 years My specific trade is a joiner.

In my time of employment, I can confirm that the construction company which employs me has operated from the range of buildings and land belonging Winder Brow Farm. Specifically, I can confirm that the land and buildings in the area edged red on the attached plan have been in use in connection with the construction business for in excess of 10 years. I can confirm that during this time I have personally been involved in the aspects of the business operated from the said area which includes general construction activity and storage, plant and machinery storage and recycling of material from brought back from other projects to the identified area, where it is crushed and stored.

Declaration signed:

Mr Graeme Gilpin.....
