If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

4b. Eligibility - The proposed change of use

For applications, submitted before 1 August 2022, proposing a change of use to Dwellinghouses (Use Class C3) from Offices (Use Class E(g)(i), previously Use Class B1(a)).

Is/Was there an Article 4 direction in place that has removed these specific permitted development rights?

☐ Yes ☐ No / Not relevant

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will all the proposed new dwellinghouses have gross internal floor areas of at least 37 square metres, and comply with the nationally described space standard?

☐ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Following the changes of use, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?

☐ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

5. Agricultural Tenants

Is any part of the land covered by or within the curtilage of the building occupied under any agricultural tenancy agreements?

☐ Yes ☐ No

If yes, have all the parties to any agricultural tenancy agreements consented to the change of use?

☐ Yes ☐ No

If occupied under any agricultural tenancy agreements and:

- all parties have consented to the change of use

You will need to include copies of the written confirmations from all relevant parties, stating their consent, when this application is submitted.

- not all parties have consented to the change of use

Your proposals will not be eligible for permitted development based on the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

6. Description of Proposed Works, Impacts and Risks

Please describe the proposed development including details of any dwellinghouses and other works proposed:

The roof of the main structure will need replaced to make the building suitable for habitable accommodation on the brick built section. The roof structure of the greenhouse section will need replaced.

There is an existing water and electricity supply to the site, which will be used for the proposed dwelling. The existing dwelling also has a septic tank for drainage, which will be replaced and upgraded to a treatment plant suitable for two dwellings.

6. Description of Proposed Works, Impacts and Risks (continued)

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses:

What will be the net increase in dwellinghouses:

Note that this figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building.

Please provide details of any transport impacts and how these will be mitigated, particularly to ensure safe site access:

Please provide details of any contamination risks and how these will be mitigated:

6. Description of Proposed Works, Impacts and Risks (continued)

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3 (Check online: <https://flood-map-for-planning.service.gov.uk/>); or
- is in an area with critical drainage problems (Check with the Local Planning Authority, it will have been notified of such areas by the Environment Agency).

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated:

If the proposed development would result in a building that contains more than one dwellinghouse, and is either 18 metres (or more) in height or contains 7 (or more) storeys.

Please provide details of the fire safety impacts on the intended occupants of the building.

For such proposals, a ‘Fire statement’ that covers the fire safety design principles, concepts and standards that have been applied to the development should also accompany the application.

6. Description of Proposed Works, Impacts and Risks (continued)

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated:

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such uses.

Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated:
