4b. Eligibility - Current established agricultural unit

This question should only be completed if the site is currently part of an established agricultural unit.

If it is no longer part of an established agricultural unit, please complete question 4c. Former established agricultural unit

Was the site part of the established agricultural unit on 24 July 2023?

☒ Yes ☐ No

If not, will the site have been part of the established agricultural unit for a period of at least 10 years prior to the date development begins?

☐ Yes ☐ No ☒ Not applicable

If you have answered no to both questions above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

4b. Eligibility - Former established agricultural unit

This question should only be completed if the site was formerly part of an established agricultural unit.

If it is still part of an established agricultural unit, please complete question 4b. Current established agricultural unit

Where the site is no longer part of an established agricultural unit, was it still part of one on 24 July 2023?

☐ Yes ☐ No

If yes, the site was part of an established agricultural unit on 24 July 2023 and subsequently ceased to be, will it have been at least 10 years since the site was part of an established agricultural unit prior to the date development begins?

☐ Yes ☐ No ☐ Not applicable

If you have answered no above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Has the site been used for any non-agricultural purpose since ceasing to be part of the agricultural unit?

☐ Yes ☐ No

If you have answered yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

5. Agricultural Tenants

Is the site currently occupied under any agricultural tenancy agreements?

☐ Yes ☒ No

If yes, have all the parties to any agricultural tenancy agreements consented to the change of use?

☐ Yes ☐ No

If the site is currently occupied under any agricultural tenancy agreements and:

- all parties have consented to the change of use

You will need to include copies of the written confirmations from all relevant landlords and tenants, stating their consent, when this application is submitted.

- not all parties have consented to the change of use

Your proposals will not be eligible for permitted development based on the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Have any agricultural tenancy agreements been terminated in the year before development is proposed to begin for the purpose of carrying out the proposed change of use?

☐ Yes ☒ No

If yes, have all the parties to all of the terminated agricultural tenancy agreements agreed that the site is no longer required for agricultural use?

☐ Yes ☐ No

If any agricultural tenancy agreements have been terminated in the year before development is proposed to begin for the purpose of carrying out the proposed change of use, and:

- all parties have agreed that the site is no longer required for agricultural use

You will need to include copies of the written confirmations from all relevant landlords and tenants, stating that they agree the site is no longer required for any agricultural use, when this application is submitted.

- not all parties agreed that the site is no longer required for agricultural use

Your proposals will not be eligible for permitted development based on the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
