## Description of Proposed Works

Please describe the proposed works

We propose to extend the current access area to our front door of the property by installing a balcony which will consists of a steel frame and be painted black with black composite decking and a glass balustrade with tinted privacy glass on one side it will also have stainless steel upstands and handrail. Note the existing stairs made up of concrete will not be getting altered as we are only replacing the handrail/balustrade. The property was built on an existing natural slope and has an underground room. The property is accessed through the front door on the first floor.

## Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)\*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

\*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
