Details of the pre-application advice received

Response to request for consideration of proposals to remove ceilings linings made by NORR Consultants email of 24.12.2024.

As follows:

"I'm not wedded to the idea of retaining the existing ceilings as I'm aware that they are variously of limited and no significance, so given the constraints of getting a suitable ceiling height and fire resistance, it appears there is sound justification for removing them throughout."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
