Please state why a Lawful Development Certificate should be granted

The dwelling house was built without planning permission and has been occupied for residential purposes by a single family as a self contained dwelling house continuously since the 16th November 2013. The breach of planning control occurred before 25th April 2024 and the relevant time period for the Local Planning Authority to take planning enforcement action is four years. No planning enforcement action has been taken and the operations and use are therefore deemed lawful for planning purposes.
