Description of Proposed Works

Please describe the proposed works

We moved into the property in May 2023, the property had a existing gravel driveway for 1 car and a concrete base with a shed sitting on it. In November 2023 we removed the fence, concrete base and shed, extending the drive to make it suitable for 2 cars. In addition a surface drain was fitted at the front of the drive and the drive was finished in tarmac. This was a huge improvement to the outlook of the overall property from the street.

After the work was completed we received a letter saying we should have applied for planning permission. We didn't know we had to do this as there was already an existing driveway when we purchased the property.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
