The project is part of a national NHS England pilot to provide early intervention and support in the heart of local communities to transform access to mental health and wellbeing support. Local residents have chosen the name 'Hope Haven' and the hub will bring together a range of services and staff under one roof. People will be able to access support for mental health experiences and help to identify what areas may trigger or drive their mental health distress. The service will be individually tailored around the person's needs and priorities. Support will be provided by local organisations working closely together, including Cumbria Health; Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust (CNTW); Everyturn Mental Health; Home Group; iCan Wellbeing Group CIO; The Well Communities CIC; and Whitehaven Community Trust.
