## Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The outline planning application included a condition requiring details of a pedestrian facility on the B5295.

The developers are working towards an agreed crossing with the Highways Authority.

However properties will be ready for occupation prior to this, given that there are other pedestrian crossings in the area, it is considered that it is not essential for this to be in place prior to houses being occupied that are currently under construction.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We would like the condition to be amended to the following:

Full details of a pedestrian facility on the B5295, including any highway widening, must be submitted to this authority for approval. Any work so approved shall be fully implemented before the occupation of the 26th dwelling approved on the site.
