Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

1) Erect covered standing area to accommodate 50 people (no seats). The covered stand will be 8m wide, 4m high and 4m deep. The stand will be constructed using timber blocks and concrete with the roof being covered with Firestone Rubber. The stand will be located on the half way line set back from the pitch.
2) Lay down hard standing areas around 2 adjacent sides of the pitch. Concrete will be used around both sides approximately 1m wide.
3) Demolish existing dug outs and construct new ones which allow for 8 people to be seated in them and also improve viewing by having transparent sides. These may be purchased as off the shelf items ready to be installed in position.

Has the work or change of use already started?
