- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

The building is located behind our property at Markham House, Rowrah Road. CA26 3XJ

We currently have permission to change our outdoor stables in to a 3 bedroom bungalow ( ref App No 4/08/2154/0 ) , development has started in 2010 and works are ongoing. . Our plans are to change the use to create 4 self contained holiday lets ( see additional docs for layout), these lets would meet all requirements of Policy DM13 in that there is adequate internal space for kitchen, bathroom and living area without any major alterations or additions, there is plenty of off street parking that is accessed through our land, there is a large paddock area roughly 600m2 for external amenity's, there will be no change to the current layout of the building and the character will be preserved. There will be no amenity problems for local residents in adjacent properties.

Has the work or change of use already started?  
☐ Yes ☒ No
