## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

Proposed renovation works to the former public toilet block on Lancashire road include:

- Regrading of external areas to provide access for wheelchair and mobility impaired users
- Demolition to create new accessible openings
- Reconfiguration of internal area to provide 3 best in class accessible wc's for public use and communal washroom area
- Integration of solar panels for local power supply
- Integration of rainwater collection tank for rainwater harvesting
- Repair to roof and facade

There is no proposed change of use, and the space will run as a privately owned free to use accessible public washroom facility.

Has the work or change of use already started?

**(a) a member of staff**

**(b) an elected member**

**(c) related to a member of staff**

**(d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
