Details of the pre-application advice received

The conservation and design officer advised to progress the application for LBC. That the building could be used, that the artwork should be either mounted on a wooden structure that was inserted into one of slit windows of the building and then fixed to that or, that the artwork should be mounted on the wall, and holes drilled in the mortar between joints, that could be resinated later and did not damage the building brickwork.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
