Application for a Lawful Development Certificate for a Proposed Use or Development

Town and Country Planning Act 1990 (as amended)

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Site Location

Disclaimer: We can only make recommendations based on the answers given in the questions.

If you cannot provide a postcode, the description of site location must be completed. Please provide the most accurate site description you can, to help locate the site - for example "field to the North of the Post Office".

Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Loft conversion and the construction of a flat roof dormer projection to an existing dwelling

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is an existing 3 bedroom terrace dwelling with 2 smaller bedrooms to the rear and a master bedroom to the front of the property. The existing loft space is adequate for a roof extension which would not exceed the ridge height in order to gain satisfactory headroom. The result would provide the owner with 3 larger bedrooms to improve their quality of living arrangement.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

21-41-P-L - Location - Block Plan
21-41-P-01A - Proposed Site Plan
21-41-P-02 - Plans as Existing
21-41-P-03 - Elevations as Existing
21-41-P-04A - Plans as Proposed
21-41-P-05A - Elevations as Proposed

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We understand the loft conversion section is permitted development. The flat roof dormer is built off the existing external wall, however looks set back due to the roof eaves overhang to the existing building.
The flat roof dormer does not exceed the existing building ridge height, and is positioned to the rear elevation.
The volumetric area does not exceed 40 cubic metres (terraced house).
This loft conversion to an existing terrace property meets the guidelines and parameters set out in the loft conversion advice for a 'Roof Extension', and therefore should be considered as Lawful.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes
 No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
- Other

Declaration

I/We hereby apply for Lawful development: Proposed use as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

Karl Fox
