

**PROPOSED DOMESTIC GARAGE ON LAND ADJOINING 37 MAIN STREET
PARTON NR WHITEHAVEN**

BIO DIVERSITY EXEMPTION STATEMENT

Proposal

The proposal is for a small domestic garage, of area 15.6sqm.
It will be located on open land currently unused on the Main Street in Parton.

The Site

It is proposed to access the garage from the highway by means of a drive and small turning area, but this will be provided upon the existing ground and no impact will be made on any small scale wild life habitats.

Conclusion

For the above reasons this project will be exempt from Bio Diversity rules and regulations.
