Bedrooms used for storage

Seating and kitchen area

Dimensions of the caravan

As set out in the previous report the caravan is a standard static caravan. The dimensions are 3.6m wide, 6m length and height of 3.3m.

Proposed use

As set out in the previous document the caravan would be used as a 'bait cabin' whilst the applicant is visiting his livestock on the fields.

Livestock details

- CPH Holding Number 08/206/0139
- 4 Horses
- 20 Sheep (this is an increase since the agricultural building approval)
