

Reference No: 4/26/2026/0F1

Proposal: Removal of existing telecom mast and replace with 15 meter wind turbine and removal of all on site cabins

Location: Adamgill Farm, Moresby

Date: 03/03/2026

Countryside Access Team Comments:

Public Right of Way FP 417007 follows the line of the farm track from Huntington Cottage and passes southeast of the existing telecoms mast. See attached plan.

Given the proximity of the Public Right of Way to the development site and the proposed works the applicant should contact the Countryside Access Team to discuss the need to place Temporary Traffic Regulation Order on FP 417007.

The applicant must be advised that:

- The granting of planning permission would not give them the right to block or obstruct the Public Right of Way shown on the attached plan.
- The Public Right of Way as shown on the Definitive Map and Statement must be kept open and unaltered for public use until an order is made to divert, extinguish or to temporarily close it has been confirmed.
- No development should take place on or near the Public Right of Way until the appropriate statutory legal process has been successfully completed.
