Dear Chris Harrison

Thank you for consulting Sport England in respect of the details relating to the above planning conditions.

Sport England sought the imposition of condition 3 in order to protect the playing fields/sports facilities from damage, loss or availability of use. The submitted details are fine, as far as they go, but as the Construction Management Plan does not included a scheme for the removal of the works/contractors' compound, and the restoration of the land on which it is situated we would not wish to see the condition fully discharged.

If you would like any further information or advice please contact the undersigned at the address below.

Yours sincerely,

Dave McGuire
Planning Manager
