Material change of use of garage and workshop to form conference/community facility and the demolition and replacement of an existing single storey extension and minor external alterations to the rear elevation to enlarge a window and door opening.

Former Brick House Bakery to rear of 27 Market Place, Egremont

Following concerns regarding what the facility would be used for, three Town Councillors met with the owner for a site visit on 7/8/24. All concerns were addressed and Councillors fully support the application for renovation & business plans for the dilapidated building.
