Dear Christie Burns,

**DISCHARGE OF CONDITIONS 7, 8, 9 AND 11 OF PLANNING APPLICATION
4/22/2070/001
LAND NORTH OF STATION ROAD, DRIGG**

Thank you for consulting me on the above application.

The applicant has commissioned an archaeological evaluation of the site and submitted the report. The results show that it is very unlikely significant archaeological remains will be disturbed by the construction of the development and so no further work is required. I therefore consider that the requirements of condition 8 attached to application 4/22/2070/001 have been fulfilled.

Please do not hesitate to contact me if you have any queries regarding the above.

Yours sincerely,

Jeremy Parsons
Historic Environment Officer
