Dear Christie Burn

Thank you for consulting Sport England in respect of the further information submitted in respect of the above application.

Following correspondence with the applicant, Sport England is satisfied that there is sufficient space between the main football touchline and treeline to accommodate the ball-stop fence required by condition 15 of approval no. 4/21/2360/001 to be accommodated on the playing field to the east of the application site.

Accordingly, Sport England is now able to **withdraw its objection** to this application.

If you would like any further information or advice please contact the undersigned at the address below.

Yours sincerely,

Dave McGuire
Planning Manager
