St Bees Parish Council has considered this application to vary conditions of approval 4/22/2042/0F1 for the siting of holiday pods. It is noted that the drainage proposals are based on a maximum occupancy of 8 people. The Parish Council trusts that Highways will comment on the highways aspects of the application, as the site is quite close to a bend on a road with a 60mph limit so refuse vehicles parking on the road could present a hazard.
