The Council agreed that they continue to support the residents in their objections of these developments. In addition, the Ward Councillor has also written a separate letter of objection and has requested that he be able to address the Planning Panel with concerns regarding access, drainage, and overcrowding. The Ward Councillor for the adjoining ward at Hillcrest had also received numerous objections regarding access to the proposed development as it would severely impact this ward.

No negative objections or comments were raised in respect of the other applications listed.

Yours sincerely

Vanessa Gorley  
Assistant Town Clerk
