CONSULTANTS REPORT

DESCRIPTION OF PROPOSAL

APPLICATION TREE NO.	SPECIES	PROPOSED WORKS
T1	2x Hornbeam	Removal of two trees within a Conservation Area.
REASON		
'Want to cut down 2 trees near the car park as they are becoming too big. They also drip sap on the residents' cars. The species are unknown. Acton Court (Whitehaven) Ltd is a management company for the 6 houses and 6 flats.'		

DISCUSSION

The trees are in the mature age category and show signs of normal vitality.

From the Cumberland Council website, the site falls within the Whitehaven Town Centre Conservation Area. And a Tree Preservation Order (TPO) does not protect the trees.

We consider the work detailed in the application reasonable to prevent the trees becoming a nuisance.

Our TEMPO assessment (page 2) shows a TPO is defensible, but given the work the applicant is proposing, we consider it is unwarranted at this time.

RECOMMENDATIONS

Inform the applicant they can carry out the work in the notification or wait for the six-week determination period to lapse.
