## **CONSULTANTS REPORT**

### **DESCRIPTION OF PROPOSAL**

<b>SPECIES</b>	<b>PROPOSED WORKS</b>
Not identified	Removal of a fire damaged tree within a Conservation Area.
<b>REASON</b>	
'Tree within highway boundary adjacent to Number 11 Lamb Lane, Egremont which has been twice vandalised by means of persons unknown setting fire to the tree trunk which has now caused significant damage to the tree, and there are concerns around the stability of it.'	

### **DISCUSSION**

	<p>The tree has been removed prior to my site visit.</p> <p>From the Cumberland Council website (<a href="#">My Neighbourhood</a>), the site falls within the Egremont Conservation Area. A Tree Preservation Order (TPO) does not protect the tree.</p>
