Hi Christopher,

Apologies for the short delay in coming back to you.

Please see attached the installation specification and user guides for the cameras to be installed in the store. I can confirm that 34 total cameras will be installed, as follows;

- 2 external cameras ([CVP9324](#))
- 3 cameras within the warehouse ([CBP6324](#))
- 1 camera within the mangers office ([CBP360](#))
- 28 cameras within the sales area ([CBP6324](#))

I can also confirm that appropriate signage will be installed, and the installation will comply with GDPR requirements.

Trust this is all you need but let me know if Cumbria Constabulary require any further information.

Regards,

**Robert Gibbs** ARB RIBA  
Associate Architect
