Dear Sirs

**RESUBMISSION REAR EXTENSION 49 HAIG AVENUE WHITEHAVEN**

I am pleased to enclose an application for the above works which are slightly altered due to the discovery of a United Utilities sewer under the new foundation of the proposed extension.

The UU sewer was not on any UU mapping plan, and they have confirmed this. However as we had started work on site this application was deemed to be necessary.

It is a minor amendment which has resulted in an increase in the overall depth of the extension by 650mm making it 4650mm overall. I therefore attach the following.

1. Plan form signed on behalf of my client.
2. plan fee of £206 paid by card.
3. Plans all numbered showing the alterations.
4. Site location and block layouts numbered and amended.

Finally, I look forward to validation and receipt of the application in due course.

Yours Faithfully

Richard J: Lindsay
