Dear Sirs

**BIO MASS BOILER FLUE SPRINGFIELD FARM BIGRIGG FOR  
MR R THOMPSON**

Further to advice received from the Officer dealing with this site ( Chloe Unsworth), it was agreed that a Minor Planning Application was required for the proposal, which involves a new Bio Mass boiler and flue. It is the flue which attracts the need for an application.

I attach documents below.

- 1.Application form signed on behalf of my client.
- 2.The plan fee of £234 paid by card today ( you will have the receipt).
- 3.Plans as proposed showing buildings and new flue location.
- 4.Site location plans at appropriate scale.

I have not included a Design and Access Statement, as I consider it does not apply to this proposal.

In conclusion, I therefore look forward to receipt of the application, and if you have any queries please let me know and I will be happy to answer the same.

Yours faithfully
