

PROPOSED ERECTION OF FOOTBRIDGE AT PONSONBY TARN, CUMBRIA.

DESIGN AND ACCESS STATEMENT

This proposal has been made for the installation of a new footbridge to Ponsonby Tarn.

Location Ponsonby Tarn is located near the village of Ponsonby, Ponsonby is classed as a village and civil parish in the Borough of Copeland

Ponsonby tarn is classed as a lake in Cúmbria. Ponsonby Tarn is situated nearby Newmill Farm, and close to Road End (South Bound).

Use The proposal includes the erection of a small wooden footbridge, to replace an existing plank at Ponsonby Farm.

Amount/Scale The proposed wooden footbridge spans a total distance of 2400mm incorporating handrails.

Layout The proposed layout can be found on attached drawing 001. The forming of the bridge will allow safer access than the current plank that is in place.

Appearance The newly erected bridge will be treated wood, in keeping with the surrounding area.
