4th March 2026

Dear Sir/ Madam

Ref Discharge of Conditions 4/24/2334/0F1

Constantine Wind Energy (CWE) are submitting the following documents for full and partial discharge:

- Condition 6 Turbine Specification – full discharge
- Condition 10 Shadow Flicker Protocol – full discharge
- Condition 11 & 12 Aviation Safety – full discharge
- Condition 14 CTMP – partial discharge
- Condition 15 – CEMP – full discharge

Condition 14 requires detailed design of the bellmouth to be completed at the site entrance, adjacent to C class road, High Walton to Loughrigg at St Bees, Whitehaven. The detailed design will fulfil the requirements of the Highway informative. Once the detailed design is complete and agreed, condition 14 will be updated and re-submitted. A separate submission will be made for BNG informative.

Yours sincerely

Nick Mace
