For the attention of: Ms S Papaleo – Case Officer

Cumberland Council (Copeland area)

[By email: Development.Control3@cumberland.gov.uk]

27th June 2024

Dear Ms Papaleo

Re: 4/24/2195/0B1 - Application to vary conditions 6, 8, 10, 14, 15, 16, 17 and 18 and to remove condition 13 of application 4/16/2415/O01 - outline application for residential development up to 100 dwellings (phase 2); Land at Harras Moor, Whitehaven

Thank you for your notification of the 11th June 2024 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

We have previously commented on applications on this site, at outline, reserved matters and discharge of condition stages. This current consultation relates to variation of several conditions including; highways, construction method statement, affordable housing and drainage and removal of Condition 13 which relates to archaeological works.

I can confirm that the Planning team at the Coal Authority have no specific comments to make on these proposals.

Yours sincerely

Melanie Lindsley

Melanie Lindsley BA (Hons), DipEH, DipURP, MA, PGCertUD, PGCertSP, MRTPI
Principal Planning & Development Manager

Disclaimer

The above consultation response is provided by the Coal Authority as a statutory consultee and is based upon the latest available data and the electronic consultation records held by the Coal Authority since 1 April 2013. The comments made are also based on the information provided to the Coal Authority by the Local Planning Authority and/or information that has been published on the Council's website for consultation purposed in relation to this specific planning application. The views and conclusions contained in this response may be subject to review and amendment by the Coal Authority if additional or new data/information (such as a revised Coal Mining Risk Assessment) is provided by the Local Planning Authority or the applicant for consultation purposes.

In formulating this response the Coal Authority has taken full account of the professional conclusions reached by the competent person who has prepared the Coal Mining Risk Assessment or other similar report. In the event that any future claim for liability arises in relation to this development the Coal Authority will take full account of the views, conclusions and mitigation previously expressed by the professional advisors for this development in relation to ground conditions and the acceptability of development.
