Dear Lisa

Further to our earlier telephone conversation.

Please would you confirm the following:

- The proposed door set would comprise a white UPVC wide door in a central position with white UPVC windows to each side.
- The door set would be positioned within the existing garage opening.
- There are no alterations proposed to the size of the existing garage opening.
- That you are agreeable to a two week extension of the timeframe for determination of the application.

Kind Regards

Louise
