

PROPOSED NORTH EAST ELEVATION

PROPOSED SOUTH WEST ELEVATION

PROPOSED SOUTH EAST ELEVATION

PROPOSED NORTH WEST ELEVATION

PROPOSED FIRST FLOOR

PROPOSED GROUND FLOOR

LOCATION PLAN 1 : 1250

BLOCK PLAN 1 : 500

Finished floor level of 51.0m AOD. The level is calculated from the datum point for mainland Great Britain at the Newlyn Tidal Observatory in Cornwall. It represents the mean sea level measured between 1915 and 1921, established in 1921 to provide a consistent vertical datum for all Ordnance Survey mapping.
