Variation of condition 5 to extend opening hours of planning consent 4/21/2032/0F1 Change of use from shop to café

Thank you for the above planning consultation.

There are no objections to this proposal from Environmental Health.  
A premises licence was issued to this café recently and the opening hours on the PL appear to be slightly different to those applied for here.  
The PL holder may therefore need to regularise this with the Councils Licensing team.
