Subject: PLANNING APP 4/25/2294/0A1 - TESCO STORES, LANCASHIRE ROAD, MILLOM

Application for consent to install advertisement signs

Thank you for the above planning consultation.

Environmental Health have no objections to the non-illuminated signs.
The internally-illuminated signs are within recommended levels of luminance for a small town centre of medium district brightness and for the size of the advertisement signs.
Given that the site is within the Millom Conservation Area, Environmental Health would request that the illuminated signs are turned off at closure of business hours, to also reduce artificial light pollution generally.

Regards
