Subject: 4/25/2411/0F1 - PLOTS 9 & 12, LECONFIELD INDUSTRIAL ESTATE, CLEATOR MOOR

Full planning permission for the erection of 2 no. buildings for B2 general industrial and ancillary office use, comprising 6,356 sqm GEA floor space, associated car parking, hard and soft landscaping, associated infrastructure and landscaping and biodiversity enhancements across the wider Leconfield Estate

Thank you for the above planning consultation and the submission of additional information dated January 2026.

With respect to its remit, Environmental Health have looked at the Construction Environmental Management Plan, ref 784-B065555, and are satisfied with this document.

We therefore have no objections or further comments subject to those made previously on 06.01.26.

Regards

Environmental Health
