Discharge of conditions 3, 5, 7 and 8 of planning application 4/24/2044/0F1

Thank you for the above planning consultation and the submission of additional supporting information dated January 2026.

The issue around possible asbestos fibres contamination on the site has been clarified and it is noted that the Environment Agency are satisfied with the Remediation Strategy and Verification Report.

Accordingly, therefore, Environmental Health are content that condition 7 may be discharged.
