Proposed residential development of 4 dwellings and associated infrastructure

Thank you for the above planning consultation.

There are no objections to this proposed development from Environmental Health. It would be sensible to limit construction working hours to match those on the adjacent Story Homes development site.

Unless otherwise stated, the following condition may be imposed:

- Noise from construction works

Following approval of the development, construction activities that are audible at the site boundary shall be carried out only between the following hours Monday to Friday 08.00 – 18.00 and Saturday 08.00 – 13.00 and at no time on Sunday or Bank Holiday.

Deliveries to and removal of plant, equipment, machinery and waste from the site must only take place within the permitted hours detailed above unless otherwise agreed with the Local Planning Authority.

Reason: In the interests of the amenities of surrounding occupiers during the construction of the development.

Regards
