**Subject:** PLANNING APP 4/24/2300/0B1 - LAND TO NORTH EAST OF LECONFIELD IND ESTATE, CLEATOR MOOR

Variation of condition 3 to amend parameter plan and condition 23 to allow for office use in addition to the approved uses of planning approval 4/22/2184/001 outline application for the erection of a new building up to 4000 square metres in floor space for various uses, car parking, landscaping and engineering works

Thank you for the above consultation.

There are no objections from Environmental Health to the amended uses as proposed. Environmental Health would request that conditions imposed in the planning approval 4/22/2184/001 should still apply to this variation.

Regards
