Subject: PLANNING APP 4/25/2031/DOC - LAND WEST OF CLEATOR MOOR ROAD, WHITEHAVEN

Discharge of condition 11 of planning application 4/21/2489/0F1

Thank you for the above planning consultation.

Environmental Health are satisfied with the submitted document 'Ground Investigation and Remediation Summary Report' and its rationale.

This will discharge condition 11 of the above planning application.

The Environment Agency had concerns about the possible risk of site contamination being mobilised during construction to pollute controlled waters, so their view on this document would also be welcomed.
