Cumberland, LA18 5DZ (National Grid Reference e: 316861 n: 480273)

On behalf of Anglian Water Services Limited in conjunction with Arqiva Limited, Pegasus Group submit herewith an application for full planning permission for the installation of a digital communications mast at the above referenced site. Anglian Water Services Limited appear on the Ofcom register of persons with powers under the Electronic Communications Code and are accordingly considered to be a 'electronic communications code operator.'

The application comprises:

1. The written description of the development:
"Installation of a 12m Monopole which will support 1No. Omni Antenna at a mean height of 13.83m along with ancillary equipment thereto including GPS Module, 1No. Collinear Antenna and 1No. Cabinet together with ground works to facilitate."
2. A site plan scale showing the location where the apparatus will be installed (Drg. No. 325586-00-010-ML001 Rev 1);
3. The Completed Planning Application forms; and
4. The Developer's contact details (see below).

Please note, it has been agreed with Cumberland Senior Planning Officer Christie Burns that there will be no requirement for a planning application fee for this submission following the recent withdrawal of an application for prior approval for the identical development (application reference 4/26/2064/OF1).

The following information is also provided to assist with your determination of the application:
