

Millom School – Caretakers Cottage Demolition

Displayed Site Notice Statement, January 2025

1. Purpose of the Site Notice

This statement serves to confirm the details surrounding the display of a site notice as required by the applicable regulations. The site notice will be displayed to inform the public of the proposed development and to invite comments or objections within the statutory consultation period.

2. Details of the Display

- **How the Site Notice was Displayed:**

The laminated notice will be securely affixed in a prominent location to ensure clear visibility and legibility to the public.

- **When the Site Notice will be Displayed:**

The notice will be displayed w/c 20th January 2025 and will remain in place until works commence on 24th February 2025.

- **Where the Site Notice was Displayed:**

The notice will be displayed at the entrance to the development site, nearby pathways, and in a visible location.

3. Verification of Display

To verify compliance, the following actions will be taken:

- Photographic evidence of the notice in situ will be captured.
- The date and time of posting and removal will be documented.
- Copies of the displayed notice have been retained and are appended to this statement.

4. Copy of the Site Notice

A copy of the notice as displayed is included below. The notice includes the following mandatory information:

- The nature of the proposed development
- Details of where and how to view application documents
- Instructions for submitting comments or objections
- The deadline for public feedback

5. Declaration

I confirm that the requirements for displaying the site notice have will be fully adhered to in line with the relevant regulatory guidelines.
