FAO: Copeland Council

We have reviewed planning application 4/26/2061/0B1. We previously provided comments on the related application 4/25/2181/0B1, which I have attached to this email. As set out in that earlier response, we note that the proposed development is located a significant distance from the Strategic Road Network.

As such, we do not anticipate any impacts on the SRN arising from the proposed variations to the conditions and therefore offer no further comments.

Kind regards,

Isabel Garbutt, Assistant Spatial Planner
