Dear Mr Hayhurst

Members reviewed the following applications at The Town Council meeting held on 14/11/2025.

- 4/25/2335/OF1. Proposed drainage scheme for adjacent residential development. Land at Jacktrees Road Cleator Moor. Gleeson Homes. Members feel that the proposed drainage scheme for the development is inadequate and wish this to be noted alongside the existing objection to the development.

Kind regards

Mr S Richardson
Clerk/Finance Officer, on behalf of Cleator Moor Town Council.
