

BUNDED 2000 LITRE ECOSAFE SLIMLINE OIL TANK

The Kingspan Titan 2000L EcoSafe bunded oil tank is ideally suited to houses with limited space and access restrictions. This domestic oil tank has a smaller footprint than standard oil tanks making it the perfect solution for contractors as it is much easier to manoeuvre and fit into tight spaces. The EcoSafe range of Titan oil tanks are also a popular choice with installers as they are easily installed and maintained, and come with the ready to fit Watchman Alarm Tank Pack.
