Hi Oli,

This is the PC response re this application - are you able to put it on the system please.

Many Thanks,
Heather.

Haile and Wilton PC strongly object to this planning application. The turbine height will nearly be doubled which will have a massive visual impact on the residents of Haile, Oaklands, Yeorton Hall and Whitehow Head. There's also the increase in noise and blade flicker to be taken into account.

I'm assuming residents in a close vicinity of the proposed application have been informed?
