The extract (in red) below from the draft minutes of Beckermeth with Thornhill Parish Council meeting held on Tuesday, 16 June 2026 explains the issue my Councillors have had when trying to review this application using the link provided.

- 4-26/2165/OF1 – Sellafield, Seascale - It was noted that this application did not show the location of the building, which was of concern to the Parish Council as the application could not be considered effectively.

Could you formally record the Parish Council's comments and advise how all details, on this and future Planning applications, can be viewed in full please?

Thanks
Tina
