Application: 4/26/2013/TPO
Name: Weddicar Parish Council
Address: (Clerk) 30 Queens Avenue, Seaton, Workington CA14 1DL

Comments:

Weddicar Parish Council is concerned that this application does not cover all of the tree felling work on site as over 70 trees have been marked with green crosses indicating that they are marked for felling.

The Description of works with the application had no date and the TPO referenced is from 1978. Work commenced before this application appeared on the portal with more than 50 fresh tree stumps now visible on site.

Given the volume of wood to be removed, would a Felling License not have been more appropriate than a planning application?
