Dear Christie

SMALL HOLDING, DAZELL STREET, MOOR ROW, CUMBRIA, CA24 3LE
APPLICATION FOR A LAWFUL DEVELOPMENT CERTIFICATE FOR AN EXISTING USE

Further to the recent planning consultation and discussions with yourself, I would like to take this opportunity to formally provide further photographic evidence that the static caravan has been in its current location for over 16 years, these are all the photographs and google earth pro screen shots to clearly show without reasonable doubt the static has always been in the same location, I can also take this opportunity to confirm that the static has never moved from this position for over 16 years.
